

Commodore's Corner

**Commodore
Ralph Kennedy**

Greetings HBYC members & Friends!

I want to thank everyone that supported the events for the Heroes 4th of July Boat Parade. We raised a total of \$5,377.00 for the Florida Veterans Foundation! Club events like this, that provide a win for the charity, unite the Hernando Beach community in a common cause and showcase the yacht club in a favorable manor. The Board and I are very appreciative of your support. These activities have helped increase our membership by

approximately 16 new members since January 2022.

The ladies lunch bunch has been very successful in creating a strong fellowship for the ladies of the club. We are having a group outing to Crumps Landing in Homosassa on August 20th. You can come by land or sea. Our fleet will leave from the Hernando Beach Day Beacon at approximately 11:30 am and arrive at Crumps around 1:00 PM. Crumps has agreed to reserve adjacent slips. The band starts at 2:00 PM. Please let Dave Pritchett or myself know if you want to come by boat. Guests are welcome.

We will have a new member orientation on August 15th. I will be grilling downstairs before the meeting. Invitations will be sent out the first of next week. You are welcome to attend even if you are not a new member. Please let me know so we can have enough food. Speaking of food, Carol and Marleen have been doing an outstanding job of providing us with delicious dinners. Please make sure to thank them.

One of our new members Gay Collepriest has been very generous in providing her professional photography skills. We are excited that she has suggested doing a pet photography event at the club, where the proceeds go to the humane society. This should be a very popular event with the community. When we have the details worked out we will start promoting the event to the community.

We plan on adding additional activities. If you have an idea for an event please let us know. We appreciate your input. Please let all the volunteers for our events how much you appreciate all they do. I want to thank all the members that supporting our events. Your support makes all their efforts worthwhile.

Your Commodore,
Ralph Kennedy

**Who Is This
Mystery Man?**

This mystery man has been shaking things up since he joined the club just a few months ago.

- Like the new, modern bathrooms? I know for a FACT that he was one of three very dedicated members who provided free labor and materials at reduced cost. Good thing as I don't think we could afford their rates.
- Like the beautiful landscaping around the club? I understand this person is the guilty party?
- Noticed there's always a flag proudly flying on our flagpoles? Yep, blame this guy.
- Beware this man and his lovely wife. Start speaking with them and before you know it, you'll have drinks put in your hand and a new friend.

If you see him at future events or his wife, remember that you've been warned....Spend a few moments with him and his wife and they will become your friends for life.

LOL, we need more members like them!

Have a funny story to share with your fellow members? Please forward to Henry at kokosoko@gmail.com

Wife of Mystery Man!!!!

Behind ever great man is an even greater woman whom, without her, would amount to nothing.

Thank you, mystery woman, for spreading love and kindness everywhere!

CASH TIPS FOR OUR SERVERS

You may not know this, but we guarantee our servers at least \$50 each when they
work with us. If tips fall short of the \$100 we need for the two servers, we make up the
difference from the bar receipts. If you leave a tip on your credit card when you pay
for a drink, those tips go the bartender on duty, not to the servers.

**Cash tips are for the servers, credit card tips are for the bartender on duty. Show both

MEMBER SPOTLIGHT:

Pat & Sheryl

**The Movie or "The
Eulogy"!**

We met on Pat's birthday 36 years ago which was also my first day on the new job at McDonnell Douglas Aerospace in California. We became fast friends and have been pretty much inseparable since

We both work in the computer industry creating both hardware and software. We have started several companies ranging from one of the first navigation software for boats to GPS tracking hardware and software

for trucking, shipping and offshore fishing.

We both still work full time. Sheryl is currently a VP of Customer Success, which means she deals with upset companies daily. In all of our spare time we support a free service we created in 2015 called 'Ask My Buddy' personal Alert System that allows people to ask for help using popular voice devices like Amazon Alexa and Google Home. With about 200,000 users world wide it has been credited with saving many lives of people that have fallen or are unable to reach a phone.

How did it begin you ask?

Pat is a son of a son of a sailor as the song goes. grew up living aboard sailboats and cruising the pacific coast. Joined the Navy and became a navigator on fast attack nuclear submarines.

Sheryl grew up a pastors daughter, moving wherever there were sinners... mainly across Canada and Southern California. In the early years we lived and worked in San Jose until the Loma Prieta earthquake ruined our home so we bought a 58 foot ketch in San Francisco.

Eventually we had kids and decided to be landlubbers so sold the boat and got a small ranch in Southern California, with dogs and horses and manure , oh my! As California became too crowded we moved to Mississippi to a bigger ranch but then came the snow! Everyone told us how mild it was there but for the next 2 years we saw snow and temperatures as low as 9 degrees. We took the kids and their friends on vacation to south Florida and decided that was the place for us as many of the folks we met had never even seen snow! 11 years later the kids are grown, 2 of the 3 are Navy Vets, we're up to 4 grandchildren, and we love being in Florida more than ever.

We love to travel so like any one would do, we bought a travel franchise. The lockdowns did slow business a bit, but in a lot of ways, just made travel less crowded! So if you want to take a cruise... (insert shameless plug here) Last year we relocated here to Hernando Beach and bought a new boat and are living happily ever after.

Want other HBYC members to know a bit more about you? Let me interview you for our June Newsletter!
